

BEDPAN LINER

GRADUATED 2000ML

Eco-Friendly Medical Pulp

Made from
BIODEGRADABLE
Double Lined Kraft

The Bedpan Liner Graduated with 2L rated capacity is made from eco-friendly biodegradable kraft material, intended for use as receptacle for urine and/or faeces. To use the bedpan liner, place it over a plastic or moulded pulp support. Alternatively, the bedpan liner can also be placed under commode chair for toileting.

Manufactured as single-use disposable medical pulp to meet the requirement to hold water and/or human waste for a minimum period of four hours at an initial temperature of 35°C. Suitable for disposal via macerator which complies with PAS29:1999 "Disposable Pulp For Use in Healthcare".

Suitable for

Hospitals

Nursing Homes

Personal Use

Medical Clinics

Disability Homes

User Guide

Place Bedpan Liner over the plastic or disposable moulded pulp bedpan support.

Slide the Bedpan Liner with support under the buttock. To prevent spills, place a sheet of incontinence pad under the bedpan.

After use, remove the Bedpan Liner with support, place a lid cover over it to contain the odour and sight.

Dispose the Bedpan Liner with disposable support directly into macerator or empty the content from Bedpan Liner before disposing into appropriate waste bins.

Note: DO NOT dispose the plastic support into macerator.
